IAMR B.Ed. College

AMR B.Ed. College is a privately owned self-financed college, affiliated to CCS University Meerut & Recognised by NCTE, UGC under Section (2F) in the year 2012. The college owes its origin to the foresight and sagacity of its founder Late Prof. R.K. Gupta, for promoting education. The college takes pride in the past, embraces the power of the present and delivers the promise of the future ever since its inception in 2003. Having completed 14 years of meritorious service rendered to community, it aims to produce future teachers with integrated personalities, who can prove as an asset in the national reconstruction.

The Institutions is functioning with the vision to produce such professionals who may have global competence, vision and skills as are necessary to meet the challenges of emerging global knowledge economy, by the power of innovation, creativity and efficient learning ability. The mission of the university is to emerge among the top ten university in India within next ten years through defining, implementing and operating dynamic-academic, administrative and functional processes, for optimal use of available resources.

ABOUT THE DEPARTMENTS

Advent of 21st century has witnessed a vast change by way of technological advancement and lifestyle of the people. Today, we live in a world in constant flux. We have to break ourselves with the past and catch up with the latest world trends. We have created this institution with the I.A.M.R. that new generation is equipped with latest educational skills that match the contemporary world.

Presently, the institution is in a budding stage, will soon develop into a flower and start bearing fruit. We have the best possible infrastructural facilities. The faculty on our rolls is highly experienced the meet the latest global requirements. The institution has a bright future and it would be our endeavour to bring it at par with the best institutions of national and international standards. I pray to almighty to give us strength and firm determination to make this institution a grand school of learning. The major thrust areas of research in the department are teacher education, educational technology, educational psychology, and curriculum studies.

ABOUT THE SEMINAR

The National Seminar on “National Education Policy 2020: Reforms in Teacher Education” outlines the vision of India’s new education system. NEP 2020 focuses on five pillars: Affordability, Accessibility, Quality, Equity and Accountability to ensure continual learning. As envisioned by Hon’ble Prime Minister Shri Narendra Modi, the Policy will empower teachers of India and lists out various reforms for their recruitment, continuous professional development, service conditions, etc. NEP 2020 recognises that teachers will require training in high-quality content as well as pedagogy. By 2030, teacher education will gradually be moved into multidisciplinary colleges and universities. The minimum degree qualification for our teachers will be a 4-year integrated B.Ed. degree that teaches a range of knowledge content and pedagogy. Teachers will be given continuous opportunities for self-improvement and to learn the latest innovations and advances in their professions. CPD opportunities will, in particular, systematically cover the latest pedagogies regarding foundational literacy and numeracy, formative and adaptive assessment of learning outcomes, etc.

The Department of Education are proud to organize the National Seminar on “National Education Policy 2020: Reforms in Teacher Education” on 14 May 2022. All delegates/scholars/students are cordially invited to participate in this National Seminar.
